clasp . 1 element measure 2cm + seed bead at the middle of each  
element!

Let's go !

1

Pick up 1 T, 1 R15, 1 R15, 1 R15

Finish in the 2nd hole of the Tinos

2

Pick up 1R15, 1 Tinos, 1R15, 1R11, 1 R15

Finish in the Tinos

3

Repeat step 2

4

Repeat step 2 again

Close and place your thread in the R15 like \*

5

Pick up a SM at the top

6

Pick up in the R15

7

Finish in the other R15 like red path, and

Pick up the other side of the SM

8

We have this

Finish in the Tinos

9

Pick up 1 Arcos

10

Pick up 6 R15, pass into Arcos and finish in the 3 seed beads, at the top of the Tinos

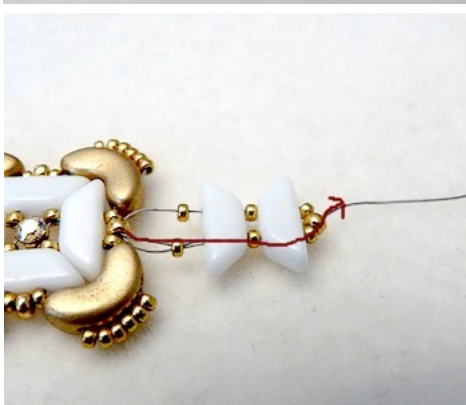

11

Repeat step 9 and 10 for the 4 Arcos

12

Place your thread in the central seed bead like \*, pick up 1 R15, 1T, 1R15, 1 T, 1R15, 1R11, 1 R15 pass into the Tinos, pick up 1 R15, pass into the Tinos and pick up 1 R15

13

Finish in the central seed bead like the red path in picture

14

We have this

Pick up 1 R15, 1 Arcos etc.

15

Repeat step 1 for the other element

16

And so on...

You can make 7 elements

17

Finish here \*

18

Pick up 1 Pinch, 1 R15 pass through the central seed bead R11

19

Pick up 1 R15, 1 Pinch  
and pass through all seed beads on the  
Arcos

20

Pick up 1 R11, 1T4, 1 R11  
between seed beads on the Arcos  
Repeat step 18 to 20

21

Do the same for the opposite side

22

Finish with a clasp, add some seed bead R15  
if necessary

Happy Beading
